

## Worship leader's role

***"For we are the handiwork of God, born in Christ Jesus to do good works that God has pre-planned for us to do"***

***Ephesians 2:10***

- To plan, deliver and evaluate Friday's reflection worship.
- To develop the class reflection area and encourage more children to use it.
  - To think of exciting ways to support the class charity.
- To ask big questions about what other children in the class thought about the worship this week.
- To help to make sure lots of children have the chance to contribute to the class reflection.
- To ask our wider school community their thoughts about our worship.
- To think how we can use the outdoors for worship and how we could create active prayer spaces in each key stage.

**\*\*Your first task is to take a photograph of your reflection area and ask your class what they like about it, if they use it and how it can be improved.**
